Dear Parents,

The season of Lent is upon us again. It is a good thing because it reminds us of how much our Lord loves us. His grace is boundless as we see on the cross what He has done for us. What an example God is for us parents to follow. He waits for us to come to Him, He listens to our prayers, He accepts us the way we are, and He forgives us without reservation.

During Lent, yes we are reminded of our sins, but we are also reminded of the hope we have in Christ. All we have to do is ask and His grace is ours. Lent is the perfect time to renew our hearts, to let Him take the lead in our lives and show us what He wants us to do. Many of us give something up for Lent, but maybe adding something would be better. Going to Lenten services might be a good place to start, or even Sunday services to improve our prayer life, or simply reaching out to a friend in need.

Blessings,
